Please note that at time of rental you will need to present (1) a current driver's license and (2) a valid credit or charge card. At the time of rental, an authorization hold will be secured on the credit / debit card provided, to cover the estimated rental charges and any additional charges that may be incurred. These funds will not be available for your use. Applicant Program renters are not required to present a credit card at the time of rent. Hertz locations also accept most, but not all, debit cards. Use of debit card to rent a vehicle is subject to a review of credit history and the ability to present a driver's license and other form of identification in the renter's name. A few locations do not accept debit cards at time of rental. If you have questions about the acceptability of your form of payment, call

Hertz.

Approximate rental charges are based on available information at the time of reservation. Additional fees or surcharges may be applied at time of rental. A Frequent Flyer Surcharge of up to \$1.00 per day may apply when renters choose to take miles or credits from a U.S. and Canadian Frequent Flyer program. **Any change to the reservation may impact the rental charges.** The rental rates may be higher if you make any change to your rental; including a change to extend the rental, the drop-off location or return the vehicle prior to the scheduled return date. Additional fees or surcharges may be applied at time of rental.
