IMPORTANT CUSTOMER INFORMATION

Customers transiting or entering the USA on the Non-immigrant Visa Waiver Programme should obtain an Electronic System for Travel Authorisation (ESTA) at least 72 hours before their departure date or earlier. Travel will not be permitted without an ESTA. For more details, or to apply, go to <https://esta.cbp.dhs.gov/esta>.

When you travel to the US (or spend more than 8 hours in the US while in transit to another country), you must provide your country of permanent residence. You must also include the street address where you will be staying in the US (including state and ZIP code) on your arrival form. This information is a pre-requisite to boarding your flight and can be given at any time up to and including check-in. Non-citizen, US permanent residents should give their Green Card number instead of their US address. US citizens are exempt from the address requirement.

We want to provide you with the most competitive fare deals in a fluctuating marketplace and because of this, prices may go down. Air New Zealand is not able to provide refunds or rebooking if a lower fare becomes available.
