IMPORTANT INFORMATION

Important Reminders

For Customer Service issues, please call (866) 260-7070, or send an email to customer@mokulelehawaii.com, or send a letter to Mokulele Airlines, 73-350 U`u Street, Kailua-Kona, HI 96740.

This receipt does not constitute transportation and serves only as a receipt for payment of flights and services provided by Mokulele Airlines.

Failure to check in by the designated time may result in cancellation of your reservation and no value will remain for any purchased ticket(s). All customers must be at the assigned boarding gate at least 20 minutes prior to departure or your reservation will be subject to cancellation. Please keep in mind that TSA security screening lines may be longer than usual at peak hours and holidays. If you feel you may miss your flight, please contact our Call Center at (866) 260-7070 and we will do our best to assist in getting you confirmed on a later flight.

Customers exceeding a body weight of 350 pounds are not able to be transported by Mokulele Airlines due to limitations of our aircraft.

Infants

Infants under the age of 2 years (at time of travel) are "free of charge." You must hold the infant on your lap during the entire flight. Infants are granted one free piece of checked in luggage to consist of a car seat, stroller, or baby bag. Mokulele Airlines reserves the right to require a birth certificate as proof of age for all lap infants. If you are not able to present a birth certificate, the applicable fare will be charged. Arrangements for a lap child must be made directly with our Call Center at (866) 260-7070.

Recommended Check In and Boarding Times

Passengers not checked in with adequate time may be considered "late check-ins" and both passenger and bags may not be accommodated on the original flight booked. Reservations are subject to cancellation.

For our Barber's Point/Kalaeloa, Hana, Kahului, Kailua-Kona, Kamuela/Waimea, Kapalua/West Maui, Lanai, and Molokai airports, we observe a 30 minute cutoff for check-in at the ticket counter, and you must be at the gate 20 minutes before your scheduled

departure time.

For our Honolulu airport, we observe a 45 minute cutoff for check-in at the ticket counter, and you must be at the gate 20 minutes before your scheduled departure time. Passengers departing Honolulu on Fridays, Sundays and holidays should allow an additional 15 to 20 minutes due to longer lines for TSA security screening.
